BLACK HISTORY MONTH EVENTS

February is Black History Month, and there are two programs scheduled at the College this week in the ongoing celebration.

At Noon on Wednesday, the Afro-American Studies Program will present a one-man show, "The Dream Keeper Speaks: The World of Langston Hughes", featuring John Patterson. The event will be held in Dinneen Theater, and admission is free.

The Black Action Committee's Fashion Show and Dance will take place this Friday at 7:30 p.m. in Dinneen Theater. Tickets are \$10.00, and are available in the Public Policy Program offices, 51 Glenwood, Room 402, and at Ticketron in Dinneen.

Next week's big event is a combined College/Community program, with special guest speaker Frances Thomson, Jersey City Council member. The program will be held on Monday, February 24, at 1:00 p.m. in the Pavonia Room, and admission is free.

"UNFOLDING THE TRUTH" THROUGH CREATION SPIRITUALITY CONTINUES...

Sr. Patricia Ann Daly, O.P., of the Campus Ministry Office, invites you to the ongoing special Lenten Seminar entitled: "Unfolding the Truth: An Introduction to Creation Spirituality." The second session, "Befriending the Darkness," will meet at the Campus Ministry Office Thursday at 2:00 p.m. or Friday at Noon (you can choose one). Sr. Pat will begin each session with a presentation. Participants will then be invited to respond through discussion, process, and prayer.

MDA FOUNDATION RESCHEDULES MEETING WITH LIFTATHON VOLUNTEERS

The Weight Lifting Club is sponsoring a Liftathon for Muscular Dystrophy, as was reported in last week's Campus. Because of the snowstorm, representatives from the Muscular Dystrophy Foundation rescheduled their visit to the College to speak to potential lifters. The MDA reps will be here on Friday, February 21, at Noon in Pope Lecture Hall. Any Saint Peter's College students, staff member, faculty member, or administrator is eligible and encouraged to volunteer. All lifters will secure pledges per pound lifted. Lifts will be conducted in the weight room, and will be certified during the first week in March. Come help the Weight Lifters put more muscle behind MDA's fight against 40 muscle diseases.

PEER ADVISOR PROGRAM STILL SEEKS MEMBERS

The resurrected Peer Advisor Program is recruiting freshmen, sophomores, and juniors to work with the upcoming Class of 1990.

Peer Advisors are specially selected and trained upperclassmen who work with the Freshmen Advising Program to assist new students with the adjustment to college life.

Peer Advisors are needed for a training program and activities involving new freshmen including testing, advising, and registration. Program membership requires a commitment to maintain regular contact with assigned students.

Applications are available in the Counseling Center, Room 3 of 104 Glenwood, and in the Office of the Associate Academic Dean, Dean's Complex of McDermott Hall.

THE REAL WORLD AWAITS

The staff of the Center for Career Development would like to remind the members of the Class of '86 that now is the time to plan for life after college. The following companies will be holding on-campus interviews in early March for a variety of positions:

Carolina Freight, P.S.E. & G., Stone Financial, and Aetna Life and Casualty Insurance all have a sign-up deadline of Wednesday, February 19. Interviews with the Petrie Stores and Consumer Value Stores must be arranged no later than Thursday, February 20; and the deadline for students wishing to interview with Automatic Data Processing is Friday the 21st.

Students must sign up by the dates given in order to ensure an interview, and can do so by stopping by the Career Development Office, on the Third Floor of 104 Glenwood.
