But all the story of the night told over,
And all their minds transfigured so together,
More witnesseth than fancy's images,
And grows to something of great constancy,...

To the cast and crew of Argus Eyes:

What can I say? I am speechless. I know not how to describe the greatness that stands before me on stage. All I want you to remember is:

We are a bunch of talented actors.
We will bring tears of joy and the play will bring the house down.
I hope.

Well, CARPE DIEM! Seize the day!
Don't ever forget Puck and the fun we had at rehearsals.

Break a leg,
